

FLUKE®

Fluke Education Partnership Program

Special discounts and offers for ECEDHA
education program members

Tools discounts:

25 % educational discount on most
Fluke tools for hands on training in
the classroom

Buy two get one free! For every two 87-V
Multimeter, 8808A Bench Multimeter or
T5-1000 Electrical Tester you purchase at
the 25 % discount, Fluke will donate one
to your training center for FREE.

Training kits and materials:

Six types of HOT (Hands-on-Training Tubs)
with Fluke tools for classroom instruction
including: Digital Multimeter, Power
Quality, Insulation Test, Instrumentation,
Thermography, Education module CDs, posters
materials to order complimentary from our
literature fulfillment site.

Fluke charitable donations program:

Is your university program
in need of Fluke tools? Fluke
donates a limited number of
new and refurbished tools on
a monthly basis.

Fluke Connect® student contest:

Each fall we look for students to showcase the most innovative
use of our new Fluke Connect wireless systems. Five finalist
teams have the opportunity to demonstrate their projects and
the winning receives an all-expenses paid trip to Fluke and
\$3,500 worth of Fluke tools for their school.

**Coming
Soon**

FREE Fluke Assets Software License for educators.
Details will be announced in April 2016.
