

Educational Discount Up to 50%

Save more and Get SMARTer with Keysight

Keysight is committed to supporting academia — let's do amazing things together. To stand out above the rest, you need smarter resources in your labs. Under the educational discount program, approved educational institutions receive a 15% discount on eligible hardware products and a 50% discount for select software products.

Save 15% on hardware

			
Oscilloscopes	Signal Analyzers	Frequency Counters	Power Analyzers
			
Digital Multimeters	Signal Generators	LCR Meters	Data Acquisition
			
Waveform Generators	Network Analyzers	Impedance Analyzers	Parameter / Device Analyzers
			
DC Power Supplies	FieldFox	Power Meters and Sensors	Source Measure Units
Handheld products and more			

You can set up accredited teaching labs and state-of-the-art research labs with Keysight's education discount program.

Equip your teaching and research labs now with industry-leading design and test tools.

Save up to 50% — valuable for your students and right for your budget.

Save 50% on software

Design and simulation software		Application software		
				
PathWave Advanced Design System (ADS)	PathWave RFIC Design (GoldenGate)	PathWave Vector Signal Analysis (89600 VSA)	Infiniium Series Oscilloscope Software	Photonics Application Suite
				
PathWave EM Design (EMPro)	PathWave Model Builder	PathWave X-Series Measurement Applications	Network Analyzer Software ¹	Labber
				
PathWave RF Synthesis (Genesys)	PathWave Model Quality Assurance	Signal Optimizer	NEMO Wireless Network Software	Quantum Benchmark
				
PathWave System Design (SystemVue)	PathWave WaferPro	PathWave Signal Generation	Wireless Test Platform Software ²	Digital Learning Suite
				
		PathWave Lab Management and Control	PathWave Lab Operations for Remote Learning	
Programming software		Productivity software		
				
PathWave Test Automation		VEE Pro		PathWave Data Analytics
				
PathWave FPGA Programming Environment			PathWave BenchVue	

1. Applicable to the select software of the network analyzers only. Software installed on FieldFox is not eligible.
 2. Applicable to the select software of the wireless test solutions only.

Take advantage of this educational support program by contacting your Keysight sales representative or authorized partners to confirm your eligibility for the educational discount or to place an order.

Terms and Conditions

The educational discounts may not be combined with other Keysight promotions. Prices and availability information are subject to change without notice.

An aerial photograph of two people sitting in modern, dark-colored armchairs. The person on the left is a man in a dark suit, looking towards the person on the right. The person on the right is a woman in a light-colored top and dark pants, looking down at a tablet computer she is holding. The background is a light-colored, textured floor.
